

let's make the
streets of
Champaign-Urbana
safer...

FOR BIKES

When you're a bicyclist
sometimes it feels like
you're all alone out there
in a sometimes dangerous
world of cars, trucks and
other motor vehicles.

Ever wonder what it would be
like if the bikes made the
cars feel alone?

Critical Mass is when bicy-
clists get together and ride
together to see what it
might be like if the streets
of our cities were more
friendly to bicycles.

When bicyclists ride
together we're hard
to ignore or dismiss.
